

*Please send us your environmental news, scoops, and stories.*

*We accept articles of 500-900 words along with a couple of high res images for consideration.*

# *Call for submissions!*

It's hard to imagine on this chilly day, but spring is just around the corner. Let's celebrate new beginnings, and explore new possibilities to create sustainable communities. We would love to learn about any new programs, initiatives or developments that you may be involved in. Please send us your environmental news, scoops, and stories.

We accept articles of 500-900 words along with a couple of high res images for consideration. Submission deadline is March 2, 2018. Contact [editor@mbeconetwork.org](mailto:editor@mbeconetwork.org) for more info and to submit.
